Athlete Independent Travel

To be completed if the U18 athlete's travel to/from any of the activities related to the programme will be unaccompanied.

GB Snowsport places paramount importance on child safeguarding for all young athletes under its care.

Ideally all athletes under the age of 18 should travel to and from the camps abroad together, under the direction and supervision of GBS staff. However due to the nature of the sport, it is accepted this is not always possible.

I parent/guardian of agree to be responsible for and make my own arrangements for my son/daughter to attend the training camp, races and any other activities related to the event, unless it has been pre-agreed in writing that GBS will be accompanying my child's travel to/from specific event.

I understand it will not be possible for GBS staff to make any individual arrangements for my child to be met at airports or other places and all arrangements are my responsibility. I understand if there are delays or cancellations GBS staff will not be able to assist.

This is my decision, as parent/guardian, and I accept GBS management cannot be held responsible in the event of any problems incurred in the course of my child's travel.

I will ensure my child has sufficient funds available to pay for excess baggage charges, food, taxi etc. and that all additional costs incurred are my responsibility.

I confirm I will give emergency contact details for the day of travel to my child and GBS and will give GBS written/e mailed confirmation of my child's travel arrangements for each training camp, race or other activity they are travelling to/from.
